Portfolio Presentation by Akwasi on June 1st

Committee Present: Advisor, Deborah Meier Homeroom teacher, Ayla Gavins Family members: Hazel Agyemans and an older brother Community/Public member: Karen Harris

History Portfolio

Decision: Passed, with commendation for excellent work all around, with no resubmissions required. The committee however asked Akwasi to get his teacher and advisor's approval on a bibliography for the research paper (which was not available), and some minor editing. These should be finished before the school year ends.

Next fall he will take the geography quiz and the time-line quiz.

Literature and writing

Decision: Passed, with commendation for excellent work all around. The Committee required no revisions or resubmissions.

Akwasi should present a reading log to Heidi and Deborah in mid-year, to assure us that his reading is varied and extensive and includes books from the BPS required list. This should present no problem, to say the least, for Akwasi.
