A person who has Influenced me is...

A person who has influenced me is my Aunt Renea B. The reason I picked my Aunt is, because she understands me. She listens to everything I say, and she believes in me. She will buy me anything I need or ask for. She is very successful. She graduated from high school with Honor. She also graduated from college with her Masters Degree and Bachelor Degree. My Aunt has a pretty caramel complexion. She has kind of long hair. She has a nice shape with a pretty face. My Aunt also has a gap between her two front teeth that makes her look even more beautiful. My Aunt wears glasses. She has one child her name is Destiny Rena B. She is 14 years old like me. Her birthday is November 27, 1989. My Aunt is married to my Uncle Vatis B. She is 40 something years old. She stays in Cedar Hill, Texas.

My Aunt always encourages me to graduate from High School and put the Lord first in your life. She told me if I finish school, she would send me to college, and she will buy me a car to go to college in. She has three cars of her, and all of her cars are paid for. Every holiday she comes down

here, and I look forward to seeing her. I look forward to seeing her, because I really look up her. Just seeing her brings a smile to face.

That's why I chose my Aunt Rena B. She knows I look up to her to, because she asked me: What do you want be when you grow up? I replied a pediatrician and a Health inspector. She asked me who I want to be like when I grow up? I replied, like you. She also asked, did I want to succeed in life, and I said of course I want to be a successful in life. She smiled at me and said, " That's what I wanted to hear". I will never regret picking my Aunt for the person who has influenced me.
